# About Us

A registered\* **non-profit organisation** in Gurgaon, India, Pragati was founded in 2002 with the objective to make quality primary education accessible to children from the marginalized section of society.

This objective has been achieved by revitalizing Govt Primary schools into Centers of Excellence i.e schools that are exemplary models of high quality education.

Under the formal partnership with Govt of Haryana, 4 Govt Primary schools have now been successfully transformed into happy learning spaces and thereby, impacting 10000+ lives.

# Impact stories

**Nisha entered Pragati at the age of 6yrs and is now a graduate. She financially supports her family and aspires to be a banker soon**

**An alumni from the Batch of 2018, Rahis has finished his schooling and plans to pursue a degree in radiology. His father having passed away, Rahis and his brother have dreams to ease their mother's life.**

**Guddi's eyes shine with pride as she talks about her 5 children- all who begun their education at Pragati. The eldest daughter Deepa and son Sawan( main earning members now) help in rebuilding their life brick by brick literally after all they had was ravaged and destroyed by their alcoholic father, who set fire to their shack with the children locked in. From saving them to rebuilding their home and aspiring all children to be educated and do well in life, she has done it all like a tigress.**

# How to Support Us

## Join as a Volunteer

We are open to those who want to help with our various programs. As a volunteer, you can be directly involved in assisting classroom activities or support us during school events.

## Donate

Your donation directly supports the programs we run, such as providing school **supplies, uniforms, nutritional supplements** for the children etc and support us in this mission to provide holistic development in the formative years..
